# DIRTY LITTLE SECRET FOUR

## TASTING NOTES

This DLS project has evolved and become more complex since we selected this incredible vineyard in 2015. A tribute to the age and concentration of the vines, and to very low interruptive winemaking.

A natural wine in every sense.

Such potential and such promise, the challenge was could I do it justice? And what was the best way to illustrate the produce of this exceptional, totally rare and unique vineyard?

I decided that the most complete picture of this amazing vineyard was in fact the complex blend of multiple vintages – stored in very old French Oak 400L barrels as blends across the years and then added to and abetted with fresh juice for each release. This is our fourth release with a luscious and complex blend of 4 vintages from 2019-2022. Only 2000L bottled.

We took a trip backwards in time to make a thoroughly modern wine. A wine that will age beautifully for at least the next ten years, a tribute hopefully to the age and concentration of the vines, as well as to low, very low interruptive winemaking, a natural wine in every sense and finally bottled totally

naturally with no cold stabilization or fining and it is crystal clear, slightly golden in a good way, with a still lime green rim and how did I do that you ask? Well it's unfiltered, unfined just a Dirty Little Secret - naturally!
