SAUVIGNON BLANC RESERVE 2023

TASTING NOTES

This wine shows lovely complexity with mix of tangy grassy notes, fig leaf, peach and nectarine nuances. Brisk acidity with minerality on the palate which is typical of the long hang time in our cool region.

FOOD SUGGESTIONS

Very good while preparing a meal or out on the patio. Ideal with fish, chicken, pasta and friends.

FNB Top 10 Sauvignon Blanc – 2016

Platter's 2017 – 4 stars

GRAPE VARIETIES

100% Sauvignon Blanc

VINEYARD

Region: Stellenbosch

Soil: Combination of decomposed granite, "Koffieklip", Yellow Ferricrete, Red Ferricrete and White quartz

Locality: North-East/South-West/North-South

HARVEST

We always look for a hint of tropical ripeness, as well as a crisp clean backbone to carry the wine.

Yield: Between 4 and 9 t/ha

IN THE CELLAR

After crushing, pumped through mash-cooler straight to press for draining. Free-run juice settled and fermented separately from pressings. Extended lees contact after fermentation for about 8 weeks to increase "creamy" character. Juice/wine handled reductively throughout process.

ANALYSIS

Alc 13.1	TA 5.9	RS 2.3	pH 3.55
